RE: In Re Effexor XR Antitrust Litigation
11-5479 (PGS)

As you know, in the Lipitor case there has been ongoing discovery during the pendency of the motion to dismiss, and final briefs will not be submitted until later this month.

In light of same, the court is considering vacating the stay in these cases and initiating discovery. Before determining whether to do same, I request your input.

Please provide a short letter no more than four pages (double spaced) with your comments by July 8, 2013.
